Go ahead and send to cc's this morning. At same time as Reid's office is receiving this.

Re: "Cc s tomorrow morning after we confirm receipt from governor's office."

I have heard not a thing from anybody - local or Nevada. Bill Keener said he was going to let Maier send a copy of Jared's letter to Reid's office this morning since they inquired yesterday and a promise was made to send the response when final (so that may be out already). Otherwise, I am holding off further distribution until I hear from either of you. Is that correct?

Harry

Send to governor, Leo and ndep tonight. Cc s tomorrow morning after we confirm receipt from governor's office.

Presuming this will get out to press, we need to put together short statement and/or talking points about our response.

Abi will email it to Harry B. Harry please coordinate with Abi and email the letter to gov and everyone on CC list. Please call me if with questions. I'm already in HI.
